Highlighted sessions are where the teacher is available as an additional session. The other sessions are the minimum expectation where pupils undertake tasks set by the teacher and the teacher is available online to support. We would like to encourage pupils to take part in online discussion using Teams during Form time, discussing how the work is going and any other relevant pastoral questions.

Additional resources available: We would like to encourage as much reading as possible, handwriting practise and use of mathematics.

Elocution students: you will receive a task on Monday morning to return to the teacher by Wednesday lunchtime.
