

SALCOMBE PREPARATORY SCHOOL

**A SCHOOL WHERE OUR
CHILDREN DARE TO
ACHIEVE**

We are immensely proud of all our Year 6 pupils at Salcombe Prep School. Despite a challenging couple of years, they have demonstrated their determination and focus through the incredible results shown here. The teaching throughout Salcombe, combined with a renewed focus on pastoral care, has ensured that our pupils continue to get into their choice of state selective and independent schools. We are determined, more than ever, to provide our children with the skills they need to continue to build on this upward trajectory to success.

■ Independent Schools ■ State Selective Schools
